

## Candidate Checklist

In an effort to keep track of candidate ideas and claims, plus in an effort to prevent them from attempting to avoid or confuse subjects, this list must be completed.

For each category describe 1) Ideals, 2) Goals and 3) How you want to change current policy:

- **Jobs**
- **Monetary and Taxes**
- **Education and its funding**
- **Chemical Regulation**
- **Technology**
- **Science**
- **Environment**
- **Healthcare and Medical**
- **International (by country and/or region)**
- **Religious**
- **Weapons**
- **Drugs**
- **Social**
- **Other issues the candidate wants to highlight**
- **Every candidate must show 20 years of taxes, lifetime of criminal background, lifetime of civil lawsuit background and results from a recent full physical**
